We have updated the website with 22 mixed specimens from the collection of Gene and Sally LaBerge.

The auctions are closing this evening at 7 p.m. eastern standard time. This week we are featuring:

- * **excellent thumbnail specimens from several different collections**
 - * **LaBerge collection specimens**
 - * **a wonderful red Chinese sphalerite**
 - * **Herodsfoot bournonite**
 - * **outstanding Chinese fluorites, brilliant red showy realgar/calcite**
 - * **a superb cabinet sized Missouri galena**
 - * **choice and showy aquamarine from China**
- Plus many, many others**

Be sure to check these out! There are many great specimens going very cheaply.

As always, we welcome your comments and suggestions.
