We have just updated the website with 30 new specimens, all attractive showy specimens priced under \$125, most under \$50.

We have posted 60 new specimens for auction this week. This week we are featuring:

- * several nice specimens from Michigan's Iron Country
- * a beautiful Los Lamentos wulfenite
- * a gemmy diamond crystal from South Africa
- * choice thumbnails; pyromorphite, Swiss hematite, old Arkansas brookite with Foote label, German acanthite, fine legrandite, etc.
- * a superb Michigan copper
- * fine large crystals of smithsonite from Tsumeb

Plus many other fine specimens. Many are enjoying our auctions and getting some great things at very reasonable prices. Join in on the fun!

As always, we welcome your comments and suggestions.
