Subject: Benitoite, Molybdenite with Fluorite, Pyromorphite and Others

Welcome to Wrights Rock Shop

I updated Gallery 16 with benitoite, blue aragonite, sphalerite in quartz, molybdenite with fluorite, seraphinite (clinochlore), fluorite, linarite, pyromorphite, and others on 6/26/09. The molybdenite with fluorite is the best piece that I have seen with that association.

Please remember to mention that you are a member of Wrights Mineral News for your 10% discount.
