**During the past few days we have been adding many choice affordable specimens to the website.**

**The auctions are closing this evening at 7 p.m. eastern standard time. There are 60 great specimens available, including the following:**

- \* several nice specimens from Michigan's Iron Country
- \* a beautiful Los Lamentos wulfenite
- \* a gemmy diamond crystal from South Africa
- \* choice thumbnails; pyromorphite, Swiss hematite, old Arkansas brookite with Foote label, German acanthite, fine legrandite, etc.
- \* a superb Michigan copper
- \* fine large crystals of smithsonite from Tsumeb

**Plus many other fine specimens. Many are enjoying our auctions and getting some great things at very reasonable prices. Join in on the fun!**

**As always, we welcome your comments and suggestions.**
