**We have just updated the website with 9 beautiful specimens of pyromorphite from the famous Bunker Hill Mine in Idaho, all collected during the initial strike in the early 1980's.**

**We have posted 59 new specimens for auction this week. This week we are featuring:**

- \* **more choice LaBerge specimens**
- \* **a beautiful and unique gemmy pale green fluorite stalactite (cabinet!) from China**
- \* **a superb smithsonite hand specimen from Berg Aukas**
- \* **neat thumbnails from the Anderson collection**
- \* **an aesthetic Romanian calcite/sphalerite cabinet piece**
- \* **superb red Romanian realgar miniature**
- \* **good Chinese specimens**

**Plus many other fine specimens. Many are enjoying our auctions and getting some great things at very reasonable prices. Join in on the fun!**

**As always, we welcome your comments and suggestions.**

**Dan & Diana Weinrich**
