**Look for an update of new specimens from the Gene Tribbey collection at 6:30 p.m. eastern standard time. Some neat things from southern Illinois, plus many others! Another update coming soon are more Shangbao Mine, China fluorite specimens, most all attractive and under \$100.**

**The auctions are closing this evening at 7 p.m. eastern standard time. There are 53 great specimens available, many going very cheaply, including the following:**

- \* more choice LaBerge specimens
- \* Tiger, Arizona wulfenite
- \* gorgeous Yaogangxian fluorite
- \* a fine large petalite crystal
- \* excellent Sweetwater calcite; Illinois barite/fluorite combo
- \* English fluorite
- \* neat and unusual Chinese cerussite
- \* an unusual cerussite from California

**Plus many other fine specimens. Many are enjoying our auctions and getting some great things at very reasonable prices. Join in on the fun!**

**As always, we welcome your comments and suggestions.**
