Welcome to Wrights Rock Shop

I updated Classic Gallery 4 with willemite, malachite coloring petrified wood, sulphur, fluorite, miargyrite, barite on stibnite, purple topaz, spirit amethyst, kammererite, and others on 7/30/09.

A few of the specimens were in older galleries, but were put on hold and never purchased. Many of you had requested the pieces. I decided to add the five pieces to this gallery.
