**The Pre-Denver Show Half Priced Mineral Sale!**

It's back by popular demand! During my month long Canadian mineral trip, I was asked more times than I can remember to bring back the "1/2 price mineral blowout sale" in the Sale Rooms. Apparently a large number of collectors missed the sale the first time around so here it is again!

Starting today, August 9th, and running all month long, all specimens in the **SALE ROOMS** will be sold for half of the listed price! The rooms are all restocked and ready for browsing. Every online mineral specimen will be discounted by 50% when your order is placed.

[Here's the starting link to all 18 Mineral Sale Rooms](#)

***Remember - every mineral specimen in the Sale Rooms is 1/2 the listed website price!*** For example, a mineral priced at \$1000 online is now \$500. A specimen priced at \$500 online is now \$250. You can't beat these sale prices anywhere and I'm willing to bargain on large orders and all repeat purchases because I need to clear out inventory before the Denver Show.

Also, as part of the month long sale, I will be discounting specimens in the other mineral rooms ([Exceptional Rooms](#), [Tucson](#) and [Denver Rooms](#)) and considering offers on any and all specimens. Layaways and dealer orders are very welcome.

My goal is to find a new home for all mineral sale specimens. If you have any questions or offers, please [e-mail!](#)

Thanks again!

Kevin
