Just a reminder that the auctions are closing this evening at 7 p.m. eastern standard time. 53 great specimens are currently available, featuring:

- * proustites from Chile and Bohemia
- * rare species such as gladite, londonite, uranopilite, arsenohauchecornite, altaite, maslovite, goldfieldite, etc.
- * pretty specimens such as stibnite, neatly crystallized Michigan copper, Chinese scheelite, etc.
- * specimens from the Peter Gillis collection.

Plus many other fine specimens. Many are enjoying our auctions and getting some great things at very reasonable prices. Join in on the fun!

It was a pleasure to meet many of you in Springfield! We hope to see many more friends in Denver next month.

As always, we welcome your comments and suggestions.
