Subject: Red Quartz on Fluorite, Fluorite, Riemvasamaak, Red Beryl

Welcome to Wrights Rock Shop

I updated the New Finds Old Friends Gallery with red Quartz on fluorite, fluorite from Riemvasamaak, S.Africa, danburite, calcite after aragonite, barite, red beryl, calcite, orpiment and others on 8/18/09.

The red quartz on fluorite is close to being the last pieces in this pocket.

Please remember to mention that you are a member of Wrights Mineral News for your 10% discount.
