On September 4, and again on September 7, we have added many new specimens to the website. 51 excellent pieces are now available, in all size ranges.

The auctions will be closing Tuesday evening at 7 p.m. eastern standard time. 55 great specimens are currently available, featuring:

- * an old-time Pennsylvania millerite
- * large Colorado amazonite
- * excellent thumbnails, some from the Ralph Clark collection
- * a beautiful gem green apophyllite hand specimen from India
- * kidney ore hematite from England
- * gem neatly crystallized topaz from Brazil
- * good classics such as Michigan copper, Tsumeb specimens, Butte rhodochrosite, etc,
- * a choice owyheeite
- * spinel-law twin fluorite from China

Plus many other fine specimens. Many are enjoying our auctions and getting some great things at very reasonable prices. Join in on the fun!

See us in Denver! Holiday Inn room 109; Main Show J Aisle.

As always, we welcome your comments and suggestions.
