Subject: Raspberry Grossular Garnet, Australian Malachite after Azurite, Others

Welcome to Wrights Rock Shop

I updated Under 50 Gallery 2 with raspberry grossular garnet, ruby in fuchite, malachite after azurite, aragonite, lepidolite red calcite, roselite and other and 9/07/09. These are very good psudomorph malachite after azurite crystal clusters collected in 1998 from the Copper Mine, Flinders Ranges, Australia.
