**Subject:** HGS Events Next Week

Hello David,

There is a lot to choose from on the HGS calendar for next week, beginning with shale-related talks at the [General Dinner](#) on Monday and the [Northsiders Lunch](#) on Tuesday. Also, don't miss a continuing education opportunity at the [SIPES CE Seminar](#) on Geophysics and Petrophysics for the Independent on Friday, and the [SIPES Lunch](#) on Nanotechnology on Friday as well.

Beyond next week, remember [Geoscience Day](#) on September 24, and the [GCAGS Convention](#) in Shreveport, Louisiana beginning on September 27. Lastly for the golfers, be aware that the [HGS Golf Tournament](#) is October 26. Sign up today!

### [HGS General Dinner](#)

**Speaker's Name:** Dr. Kevin Bohacs, ExxonMobil Upstream Research

**Day:** Monday 14-Sep-09 5:30 PM to 8:30 PM

**Location:** Westchase Hilton, 9999 Westheimer

**Summary:** **"The Devil in the Details: Controls on Vertical and Lateral Variation of Hydrocarbon Source and Shale-Gas Reservoir Potential at Millimeter to Kilometer Scales"** -- See how to use sequence stratigraphy to predict the character and relationships between source and shale gas reservoirs at a wide range of scale.
