During the past several days we have updated the website with many new specimens. One of the updates includes a new find of credite from China. We will be adding more top quality specimens to the website later today and tomorrow.

The 60 piece mixed auction that is currently running will close this evening at 7 pm eastern standard time. Some great specimens are available, including the following:

- * a wonderful aquamarine cabinet piece from Pakistan
 - * beautiful red realgar from Romania
 - * British hematite
 - * old-time malachite from New Jersey(!)
 - * cabinet sized New Mexico wulfenite
 - * many fine cabinet to large cabinet pieces in this update!
- Plus many other fine specimens.**

Many are enjoying our auctions and getting some great things at very reasonable prices. Join in on the fun!

As always, we welcome your comments and suggestions.
