New specimens have now been posted to the website. 35 new specimens, many from the Minette collection.

Also a reminder that the auctions are closing this evening at 7 p.m. eastern standard time. Some of the highlights include:

- * many neat rare species
- * beautiful celestine miniature from Madagascar
- * superb dravite and tourmaline crystals from Brazil
- * choice Italian garnet; Bisbee cuprite; calcite/copper from Michigan
- * an excellent cabinet sized Nevada barite - very pretty!
- * gem green fluorite from China
- * large New Jersey prehnite; large double terminated Tri-State calcite
- * many old specimens with labels from A.E. Foote!

Plus many, many other great specimens!

As always, we welcome your comments and suggestions.
