Subject: * The Pre-Tucson Mineral Auction is OPEN! *

The 1st Pre-Tucson Mineral Auction is open for bids!

Announcing the beginning of at least three mega-mineral auctions designed to find new homes for some of our finest mineral specimens at pre-Tucson Show clearance prices! This auction will feature 35 specimens in total and all starting bids are set at wholesale or way below wholesale. The discounts are enormous and I encourage everyone to browse through and take part in the action. This is also a great way to purchase gifts for other mineral collectors in the family!

The auction will run until November 30th at 8 PM central/ 9 PM eastern
