Subject: New Additions Update

Hello to all our customers!

This week we will release 36 new specimens on **Thursday, December 3rd at 8:00 AM - USA Mountain Time** <https://www.dakotamatrix.com/default.asp>. This update will be the first one to feature specimens from the Don Cooke Collection, here are some of the highlights:

- Excellent Pyromorphite from the Society Girl Mine, ID
- Cassiterite from Czech Republic with an old Ward's label
- Uranophane from the Spruce Pine Mine, NC with an old George English label
- Nice TN Saleeite from Rum Jungle, Australia
- Mimetite from Tsumeb with an old W. Maucher label

Be sure to check out our Daily Five page, we post five minerals everyday for great prices!
