On Sunday we added more great specimens from the Tate Collection. Look for another update in the next day or two.

A reminder that the auctions are closing this evening at 7 p.m. eastern standard time. 75 great pieces, some of the highlights include:

- * **showy green smithsonite from Arizona**
 - * **beautiful tourmaline from Madagascar**
 - * **many neat rare species**
 - * **a large showy Brushy Creek calcite specimen**
 - * **Lane Johnson collection specimens**
 - * **large Tsumeb dolomite/calcite cast specimen**
- Plus many, many other great specimens!**

As always, we welcome your comments and suggestions.
