Subject: Greenside Minerals - New Books

Hi,

We've added 2 more mining related books to our catalogue. They are "Beyond my own Lamp's Beam" and "Mining in a Medieval Landscape". They concern the most recent attempt to re-open the Greenlaws Mine in Weardale and the ancient silver/lead mines in the Tamar Valley. Prices are:

Beyond my own Lamp's Beam - £12
Mining in a Medieval Landscape - £20

And we still have copies of:

Minerals of Britain and Ireland - £95
Fleischer's (2008) - £20
Minerals of Cornwall and Devon - £18
Minerals of Northern England - £30

Our next mineral update will feature specimens from Pakistan and Afghanistan. They will be added within the next 2 weeks.

Regards,

Gary & Richard
