Subject: Inexpensive Azurite and Malachite from Milpillas

Welcome to Wrights Rock Shop

I created Azurite with Malachite Gallery on 1/06/10. The azurite with malachite pseudomorphed after azurite, Milpillas, Sonora, Mexico, was brought into the United States in 2007 by Evan Jones.

I will be adding a gallery this week with the new hessonite with crystals over four centimeters and the new find of hopeite

Please mention that you are a member of Wrights Mineral News for your 10% discount.
