We are now preparing for the upcoming Tucson Shows. Our 20th year there! We will be in three different locations:

Inn Suites Lobby; January 29 - February 13
Westward Look Resort: February 5 - 8
Convention Center "Main Show": February 11 - 14

We will be featuring specimens from the Lloyd Tate Collection. There will be completely different material offered at every location. This should be a great show!

As always, we welcome your comments and suggestions.
