Subject: * The First Mineral Auction of 2010 is OPEN! *

The Final Pre-Tucson and 1st Auction of 2010 is Open!

This may also be the largest and best of all the Pre-Tucson Show Mineral Auctions! Currently there are 30 mineral specimens up for bidding, many of which have never been offered at a discount. Specimens in all sizes and price ranges are listed and the discounts are huge (many are less than half price at their opening bid levels), and offers are always welcome!

SPECIAL FEATURE ** In this final auction before the show, I want to try something that was very popular last year at this time. I have room in the auction to add additional specimens. Choose the specimen you would most like to see in the auction along with your starting bid. If I'm able, I will add that specimen to the auction and your bid will become the opening bid. **In this way, you can build your own auction!**

This auction will run until January 18th at 8 PM central / 9 PM eastern

Please e-mail if you have any questions or a request for proxy bidding.

Best wishes and Good luck!

Kevin
