 - * ex Minette collection Kelly smithsonite
 - * choice crystallized stannite from Bolivia
 - * showy cabinet calcite from Montana
 - * large pretty Congo malachite
 - * azurite from Switzerland
 - * Yukon cabinet sized muscovite after plagioclase
 - * Lane Johnson collection specimens
- Plus many, many other great specimens!**

See us in Tucson! We will be in three different locations:

Inn Suites Lobby; January 29 - February 13
Westward Look Resort: February 5 - 8
Convention Center "Main Show": February 11 - 14

We will be featuring specimens from the Lloyd Tate Collection. There will be completely different material offered at every location. This should be a great show!

As always, we welcome your comments and suggestions.
