Just a reminder that the auctions are closing this evening at 7 p.m. eastern standard time. 75 great pieces are available. Some of the highlights include:

- * a choice pezzottaite thumbnail
 - * excellent Illinois witherite
 - * ex Minette collection Kelly smithsonite
 - * choice crystallized stannite from Bolivia
 - * showy cabinet calcite from Montana
 - * large pretty Congo malachite
 - * azurite from Switzerland
 - * Yukon cabinet sized muscovite after plagioclase
 - * Lane Johnson collection specimens
- Plus many, many other great specimens!**

We should return home from Tucson this coming weekend. We will be processing all orders from the past month and preparing packages for shipment. Please have patience ... we have a lot of them to do! We hope to have invoices out to you by Monday.

As always, we welcome your comments and suggestions.
