**New auction specimens are now posted. This week we have 75 super specimens - there are some outstanding and hard to obtain items in the auctions this week. Some of the highlights include:**

- \* many excellent specimens from the Lloyd Tate collection
- \* rare species from Russia, Norway, etc.
- \* several excellent thumbnails - forsterite from Egypt, Euclase from Brazil, etc.

**Plus many, many other great specimens! This promises to be a great and active auction.**

**We will be traveling over the next several weeks. The next invoicing/shipping date for auction specimens will be around March 20, 2010. Thank you for your patience.**

**As always, we welcome your comments and suggestions.**
