**We have just updated the website with 50 new specimens. Priced from \$75 to \$6500, some excellent things here in all size ranges, many from the Lloyd Tate collection.**

**Also a reminder that the auctions will close Tuesday evening at 7 p.m. eastern standard time. This week we have 75 super specimens - there are some outstanding pieces available this week. Some of the highlights include:**

- \* **an unusual, for the locality, and choice prismatic aquamarine from China**
  - \* **large fine and unusual tourmaline from Kashmir**
  - \* **strange and attractive etched "capped" aquamarine**
  - \* **superb Brazilian titanite miniature**
  - \* **pretty Romanian realgar**
  - \* **British fluorite; superb Tsumeb smithsonite cabinet specimen**
  - \* **a fine Virgin Valley, Nevada opal specimen**
  - \* **select rare species**
  - \* **beautiful glowing green hand sized pyromorphite from China**
- Plus many, many other great specimens! This promises to be a great and active auction.**

**As always, we welcome your comments and suggestions.**

**Dan & Diana Weinrich**
