The Current Best Offer Auction Closes Tomorrow!

Here we go! Just one more day and the Exceptional Minerals edition of the Best Offer Auction will be history. The auction will close on Wednesday (tomorrow), March 31st at 8 PM central / 9 PM eastern.

Activity is beginning to pick up as we approach closing time. If you haven't placed a bid yet, please don't miss out on this incredible opportunity. If you need time because you'd like to bid on several specimens, layaway options are available. I'd like to see every item sell and considering the current bid levels, this should not be a problem!

*** Direct Link to the Auction ***

Please e-mail if you'd like to request proxy bidding. Good luck!

Kevin
