Subject: New Additions Update

Hello to all our customers around the World!

We have just released 36 mineral specimens to our New Addition Gallery on **Thursday, June 24th, 2010 at 8:00 AM USA Mountain Time**. There will be a mix of rare species from various worldwide locales and some spectacular specimens from Mountain Minerals International.

- Spodumene w/ Schorl - Afghanistan
- Tantalite - Pakistan
- Luetheite - Type Material from Patagonia Dist., Arizona
- Moctezumite w/ Schmitterite & Emmonsite - Type Locality from Bambolla Mine, Mexico
- Arsenopyrite w/ Wolframite - Portugal
- And many more!

Also, we are excited to announce the release of our Dakota Matrix Notifier, which will be used to notify our loyal customers of our NEW Special Edition Updates. Follow the link below or check out our new & improved Home Page for more info!

Special Edition & Notifier Info: <http://www.dakotamatrix.com/article/notifier.htm>

We hope everyone has a great week!
