Hi All,

Today's news.

The current **B&L Minerals Auction** closes at 23:00Hrs

76 items from the Williamsons today.

Hubertus Huehne's latest auction is nearly ready to go online, we are just finalising the number of items with Hu.

Finally you might have seen a technical glitch during the last auction close. We will be changing our operation to cope with peak traffic very soon.

Please bear with us.

Cheers,

Best Wishes
Mark Wrigley
