Subject: Excalibur Mineral Catalog #21007 Ready!
Attachments: 21007.pdf

Greetings All,

The attached PDF document displays our latest mineral list, #21007, including a number of new species, weird locality pieces, old historic specimens, wonderful faceted fluorites etc.. Something for everyone!

We will also be at the New York City Gem and Mineral Show, Nov. 13 & 14, at the Holiday Inn, 440 W. 57 St. in Manhattan, and we hope to see you there!
