Hi All,

Auction news today,

- **Ashwini Minerals Auction** closes at 22:30Hrs UK time.
- We have just listed item #60000 on e-Rocks, this will appear with new Seller Ron Jacobson in **Auction 533** just about to start.

I checked back and it has taken 167 days to add the last 10,000 minerals, just under 60 per day!

We will be celebrating the event later on in the week

- Also starting today is a new **Marcus Lueg's Classic Auction**.

This one has 54 lots of mostly old time specimens and labels.

Cheers,

Best Wishes  
Mark Wrigley
