## **Second Mineral Auction by Request!**

I'm going to build the new Best Offer Mineral Auction this weekend and need your help again. If you see any item or items on the website that you would like to have placed into the auction, please [e-mail](#) me and let me know. The prior auction was constructed this way and was a great success and I think everyone had fun with the process. If I am able to place your requested item into the new auction, it will definitely be there!

By the way, if you have any suggestions or ideas on how to improve the mineral auction or website, please let me know. I'm always trying to find new ways to make the website more user friendly and increase the popularity of the auction. Outside of the major auction houses, I believe we have the only high end mineral auction on the internet and I'm looking for ways to make it even better.

Thanks again for your support!

Kevin
