Subject: New Excalibur List #21008 Ready!
Attachments: 21008.pdf

Greetings Everyone!

With so much new material coming in, including many old classics from the A.E. Seaman Mineral Museum, we decided to accelerate our newest list by a few weeks. The attached PDF document details an interesting assortment of new species, obscure localities, old classics as well as some attractive items uncovered here in the warehouse.

All items are subject to prior sale, so don't delay!

Enjoy!
