Subject: * Update - New Mineral Auction Suggestions *

Third Mineral Auction by Request!

I'll be building the new mineral auction this week and need your help and suggestions! If you see any item or items on the website that you would like to have placed into the auction, please [e-mail](#) me and let me know. The last two auctions were built this way and I think everyone had fun with the process. It definitely makes my job easier.

As a special note, I'd like to announce the birth of my baby daughter Tuesday morning. She was born at 8:59 AM and weighed a healthy 10 plus pounds on delivery. Both mother and baby Madison are resting comfortably now and they both earned it. If I'm a little slow responding to e-mails and phone calls over the next several days, this is the reason why.

Thanks again for your support!

Kevin
