Hi All,

e-Rocks is now back online after we changed over our network.

We now run on 3 servers and with the latest versions of operating software.

We expect to see better performance especially at busy times.

We have been dealing with a technical problem with our email notify program for outbid notices.

Out of fairness to all bidders we have postponed tonight's **Robert Kunze Auction** to close now at 22:30Hrs tomorrow.

I apologise for any inconvenience.

Cheers

Best Wishes
