### Welcome to Wrights Rock Shop

I updated Under 50 Gallery 5 with spinel, aquamarine, tyuyamunite, metatyuyamunite, metazuenerite, dioptase, hematite on/in calcite, fluorite, hemimorphite, magnetite, calcite on galena, quartz, pyrite on quartz, tennantite, and others on 12/30/10. This gallery contains some larger pieces that I consider under priced.

I, also, updated the Emerald Gallery on 12.30/10.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
