This is a reminder that the auctions will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - some of very high quality! Highlights include:

- * beautiful fluorite/calcite from Spain
- * showy tourmalines, one nice one from Maine
- * fine ruby crystal in matrix
- * cabinet sized Tsumeb calcite/mottramite
- * fine old-time English calcite
- * choice specimens from Tsumeb and Cornwall
- * a large transparent selenite from Paris
- * many interesting rare species
- * a superbly crystallized Venezuelan gold

Plus many, many other great specimens.

Special Notice - due to the Tucson Shows, we will not be able to ship your auction order until February 24/25/26, 2011. We will still invoice you at the close of the auction. At the end of this time period, we will offer FREE POSTAGE, anywhere in the world, for any specimen or specimens purchased during auctions closing between January 18, 2011 and February 22, 2011. In order to receive this FREE POSTAGE offer, your account must be current.

As always, we welcome your comments and suggestions.
