Hi All,

Sunday's [Auction 579](#) will close at 23:00Hrs UK time.

80 specimens selected by our sellers today, 30 from TVM.

Also on the page today we have a Marcus Lueg listing of a new find [Jeremejevite in Tourmaline from Namibia](#), very nice stuff.

And a few additions to the [Mixed Minerals Page](#)

I have just returned from Oxford Show - there will a few new things to show and tell later this week!

Have a great Sunday.

Mark W
