Hi All,

Very late today!

The current [Tasos Tsindis Auction](#) closes at **23:00Hrs UK time**.

33 specimens all from Greece.

Just started is an [Earthstones Auction](#) with a colossal 107 mixed items from the John Mommers et al.

We also have an update from Colleen Thomson [Minerals From the UK](#) including 30 reasonably priced specimens.

We have a couple of other things to start, but we will get these listed tomorrow

Cheers

Mark
