Welcome to Wrights Rock Shop

I wish to thank you for your patience. While the shop was not hit by any of the tornadoes, the electric lines and poles in our area were not as fortunate. The back seven buildings were without electric from 4/25 - 5/2/11. I was in Houston at the Fine Mineral Show and phoning in the orders. Mark was filling them by flashlight. Hopefully, things will be more sedate.

I updated Classic Gallery 12 with raspberry grossular, cat's eye chrysoberyl, fulgurite, spessartine with smoky quartz,, pyrite, topaz, aesenopyrite, manganooan adamite, amethyst, fluorite, diopase, amethyst flowers and others on 5/6/11.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
