**\* The Newest Mineral Auction is Open for Bidding \***

21 great looking mineral specimens this time, all set with an opening reserve at wholesale or keystone price levels! The specimens range from miniature to large cabinet in size and cover all price ranges. Hopefully everyone will find a specimen or two to place a best offer bid on and see what happens!

Please note that while there is a very reasonable reserve set for each item, feel free to make an offer below the reserve. Your offer must be approved before being entered into the auction. If the offer is too low, a counteroffer will be e-mailed for your consideration. Any offer made at the reserve level or higher is automatically entered into the auction.
