Subject: New Excalibur List # 21107 Ready
Attachments: 21107.pdf

Greetings Everyone!

We have survived the earthquake and the hurricane, but we're still waiting for the locusts!

Our latest mineral list is in the attached PDF document, filled with our usual assortment of rarities, old locality pieces and new discoveries. All are first-come, first-served, FOB our warehouse.

Note: Items from this list will NOT be available at the Franklin show next weekend without special arrangement, so plan accordingly.

Looking forward to hearing from you!
