Welcome to Wrights Rock Shop

I updated Under 50 Gallery 3 with calcite, danburite, calcite, zircon, galena, elbaite, devilline in selenite, amazonite, fluorite, conichalcite, raspberry grossular garnet, spessartine and others on 11/18/11. The danburite is extremely transparent with a sharp termination.

Please remember to mention that you are a member of Wright's Mineral News for your 10% discount.
