Welcome to Wrights Rock Shop

I wish to thank you for making this a good year. From now until 1/09/2012, you can have either an additional 10% (total of 20%) or free USPS shipping.

I updated the Smithsonite Gallery with smithsonite from Mexico, Arkansas, and New Mexico on 1/04/12. The deposit of smithsonite in Choix, Mexico, is virtually depleted (Pete Megaw). We are simply running out of specimens. Please look at the group while they are available.

Please remember to mention that you are a member of Wright's Mineral News for your 10% discount.

CHRIS
