New auction specimens are now posted. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * numerous rare and unusual species from Greenland
- * superb twin cerussite from Morocco
- * beautiful pink dolomite and calcite from Morocco
- * showy red realgar from Romania; excellent for the locality
- * gem topaz from Namibia; pink large spinel crystals from Tanzania
- * several good twinned galenas from Bulgaria
- * large fine barite from England
- * an outstanding large crystallized austinite from Mexico
- * wulfenites from Glove Mine and Rowley Mine in Arizona
- * plus many others

As always, we welcome your comments and suggestions.
