**We have updated the regular galleries with specimens from the Dave Crawford thumbnail/toe-nail collection. Later today or tomorrow we will add a small selection of nice adamite specimens from the Ron Pellar collection.**

**This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:**

- \* **superb large well crystallized Chinese stibnite**
- \* **large German calcite plate**
- \* **large Romanian barite specimen - very fine**
- \* **beautiful cabinet chrysocolla/quartz from Arizona**
- \* **numerous cabinet specimens - all classics from England**
- \* **new material from Inner Mongolia**
- \* **a suite of very good thumbnails, ex Pellar collection**
- \* **wonderful calcites from Spain and China**
- \* **plus many others .....**

**As always, we welcome your comments and suggestions.**
