**The Tucson Best Offer Auction Closes Monday at 8 PM Central Time**

Just today and tomorrow are left to place a bid in this exciting mineral auction! I would love to see every specimen find a new home and I will not refuse any reasonable offers. The suggested starting reserves are already set at half price but please feel free to offer below that number. It doesn't hurt to try and I will e-mail back a counteroffer if your offer is a little too low. It's really that easy!

Don't miss out on this opportunity to add a quality mineral to your collection!

Good luck to all and thanks for taking part!
