We have added over 100 new specimens to the website galleries during the past day or two.

This is a reminder that the auction will close this evening at 7 p.m. eastern standard time. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * large fine matrix Stoneham, Colorado blue barite
- * classics such as Swiss cafarsite, Cornish langite, large Scottish prehnite, etc.
- * fine Chinese ilvaite on green quartz
- * superbly crystallized orpiment from Nevada
- * beautiful chrome dravite from Tanzania; diopside from Namibia
- * gem tanzanite crystal from Tanzania
- * large showy stibnite cluster from China
- * Trimble collection specimens
- * plus many others

As always, we welcome your comments and suggestions.
