The website was "down" for a while, we apologize. It is now back "up" and running fine. We have added 35 new specimens to the regular galleries; many good Tate collection miniatures among other things.

New auction specimens have been posted to the website. There are 100 great specimens - too many good ones to feature all in this mail! Highlights include:

- * neat smithsonite/descloizite from Namibia
- * many fine thumbnails
- * a suite of nice specimens from Bulgaria
- * several choice Sweetwater Mine calcites
- * showy pink tourmaline from Afghanistan
- * neat Bisbee copper
- * good Tsumeb calcite; showy Tsumeb malachite
- * plus many others

As always, we welcome your comments and suggestions.
