### Wrights Rock Shop Newsletter

I updated Classic Gallery 10 with rheniite, euxenite (Y), smithsonite, ferberite, wulfenite, barite on malachite, conichalcite, sulphur, smoky quartz, stibnite on cinnabar, haiweeite, fluorite and others on 7/20/12.

The first rhenium mineral, rheniite, was found in 1994 in a fumarole of the Kudriavy Volcano.

Please mention that you are a member of Wright's Mineral News for your 10% discount.
